ABOUT QUEEN ANNE HELPLINE

Queen Anne Helpline is a community organization serving neighbors in zip codes 98109, 98119, and 98199. We provide essential supports including clothing, food, hygiene items, and rental assistance.

This event series is designed to cultivate our vision of engaged communities that honor human dignity, value belonging, and embrace interdependence.

ABOUT A TASTE OF QUEEN ANNE

A Taste of Queen Anne is our neighborhood partnership series designed to connect local restaurants, cafés, bars, and taphouses with the community. Each participating business hosts a special dining window — a day, evening, or time of day — and Queen Anne Helpline drives customers to your business through:

- Facebook, Instagram, and LinkedIn posts
- Our email list of 1,600+ motivated subscribers
- Neighborhood-based outreach and visibility

We intentionally encourage supporters to visit during times you choose — including slower windows if you want to boost traffic without cutting into busy periods.

HOW IT WORKS

On the date and time range you select, we promote your business and direct our supporters to dine with you. After the event, your business donates a percentage of sales from customers who participate. We offer two options:

Option A – Community Support Day (10% giveback)

- Promotion through all QAH channels
- No onsite presence required
- Optional printed signage provided

Option B – Community Night with QAH Onsite (15% giveback)

- Everything in Option A
- QAH staff present to greet customers and answer questions
- Stronger promotional push to drive turnout
- These percentages are intentionally modest, recognizing that many local businesses operate on tight margins. Our goal is to build strong, long-term partnerships.

BUSINESS BENEFITS

- Increased foot traffic, especially during slower times
- Exposure to residents who prioritize community-minded businesses
- Visibility across multiple Queen Anne Helpline communication channels
- Opportunity to associate your business with a trusted and well-known neighborhood nonprofit
- Flexibility to schedule events when it benefits your operations most

WHAT WE PROVIDE

- Multiplatform digital promotion
- Optional printed signage
- Professional, friendly onsite staff (Option B)
- A simple post-event summary
- The option to cobrand event materials with your logo
